PROFESSIONAL SUMMARY

Passionate Python Developer with strong fundamentals in OOP, backend development, and RESTful APIs. Completed BSc IT in 2022 and consistently upskilled through hands-on projects in Django, DRF, and React.js. Experienced in building scalable applications, API integrations, and writing clean, maintainable code. Eager to contribute to a growth-oriented team and solve real-world problems through efficient backend systems.

TECHNICAL SKILLS

Languages: Python, JavaScript, HTML, CSS

Frameworks: Django, Django REST Framework, React.js

Backend Skills: REST APIs, API Integration, JWT Authentication

Databases: MySQL, SQLite

Tools & Technologies: Git, GitHub, Postman, NPM

Core Concepts: OOP, Functions, Modules, CRUD Operations, MVT Architecture

Other Skills: Debugging, Logging Basics, Code Optimization

EXPERIENCE

Freelance Python / Full Stack Developer

Jan 2025 – Present

- Developed and maintained Python-based web applications using Django
 - Built and tested REST APIs for scalable backend systems
 - Integrated frontend (React.js) with backend APIs
 - Implemented JWT authentication and secure user flows
 - Debugged and resolved application issues to improve performance
 - Collaborated on project requirements and followed clean coding practices
-

PROJECTS

E-Commerce Web Application (*React.js, Tailwind CSS, Vite*)

- Built responsive frontend integrated with backend APIs
 - Improved performance by 30% using Vite optimization techniques
 - Managed application state using Context API and Hooks
 - Ensured smooth API communication and data handling
-

News Blog Platform (*Django, Django REST Framework*)

- Developed scalable backend system using Django MVT architecture
 - Built REST APIs with CRUD functionality
 - Implemented JWT authentication for secure access
 - Added search and filtering features using optimized queries
 - Deployed backend and handled real-time API responses
-

CERTIFICATIONS

- Python Full-Stack Development – NetTech India (2025)
 - Django & Django REST Framework – NetTech India (2025)
 - JavaScript & React.js – NetTech India (2025)
-

EDUCATION

Bachelor of Science in Information Technology (BSc IT)

Dron Institute of Technical and Management Studies (DITMS) | 2022
